THESPIANS

This year, due to the unfortunate cancellation of Drama class, the Thespians had to meet after school on their own time. One of their first projects was the play called "The House at Pooh Corner". They performed this for the elementary schools in February. For the first time, the Ilwaco Thespians participated in the Performing Arts Festival at Clatsop Community College. In the spring, they sponsored a talent show and participated in a three act comedy play.

afs

Last year, AFS ended the year with a farewell picnic for Wim Smets, the foreign exchange student. Although there was no foreign exchange student this year, AFS was active in many other ways. AFS sponsored a dance in February. Also in February, as in the past, AFS put on the annual Friendship Day. This entails inviting foreign exchange students from around the area to attend a fund-raising dinner. Another AFS activity was the domestic exchange with Yakima. In July, Donna Aase and Lonnie Williams will both be going on a year long exchange to Europe.

JAZZ ENSEMBLE

For the first time since its inception, Jazz Ensemble was not a formal class, but instead was formed as a club. Membership was decided upon by last year's group with the assistance of the advisor, Don McQuarrie. The group planned on performing outside the school as often as possible, taking into account the scheduling problems. Jazz Ensemble also made plans to go to Eastern Washington with the band and choir to perform in Spokane.

Victory lap at Sub-District

On To State.....

First time in seventeen years

By BETH WATTERBERG
Sports Editor

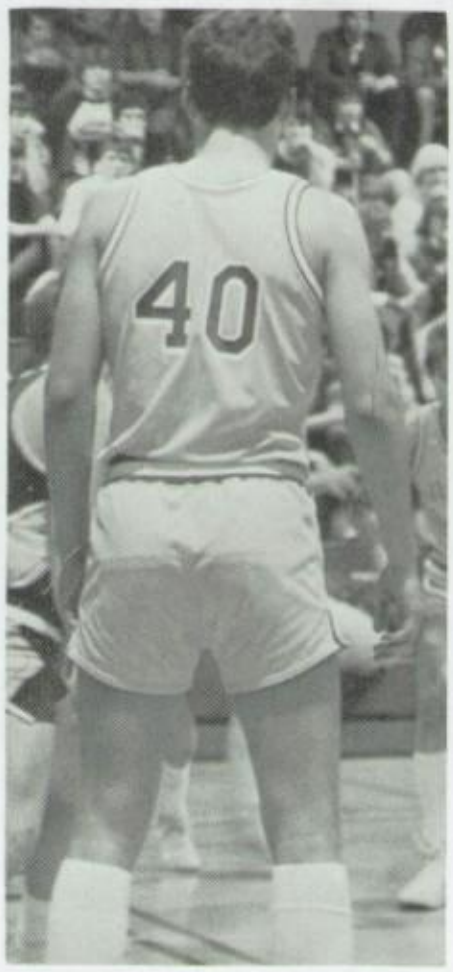
Rebounding from a loss to Woodland,77-59, the boys basketball team beat Forks 67-61, and advanced to the Washington A state tournament.

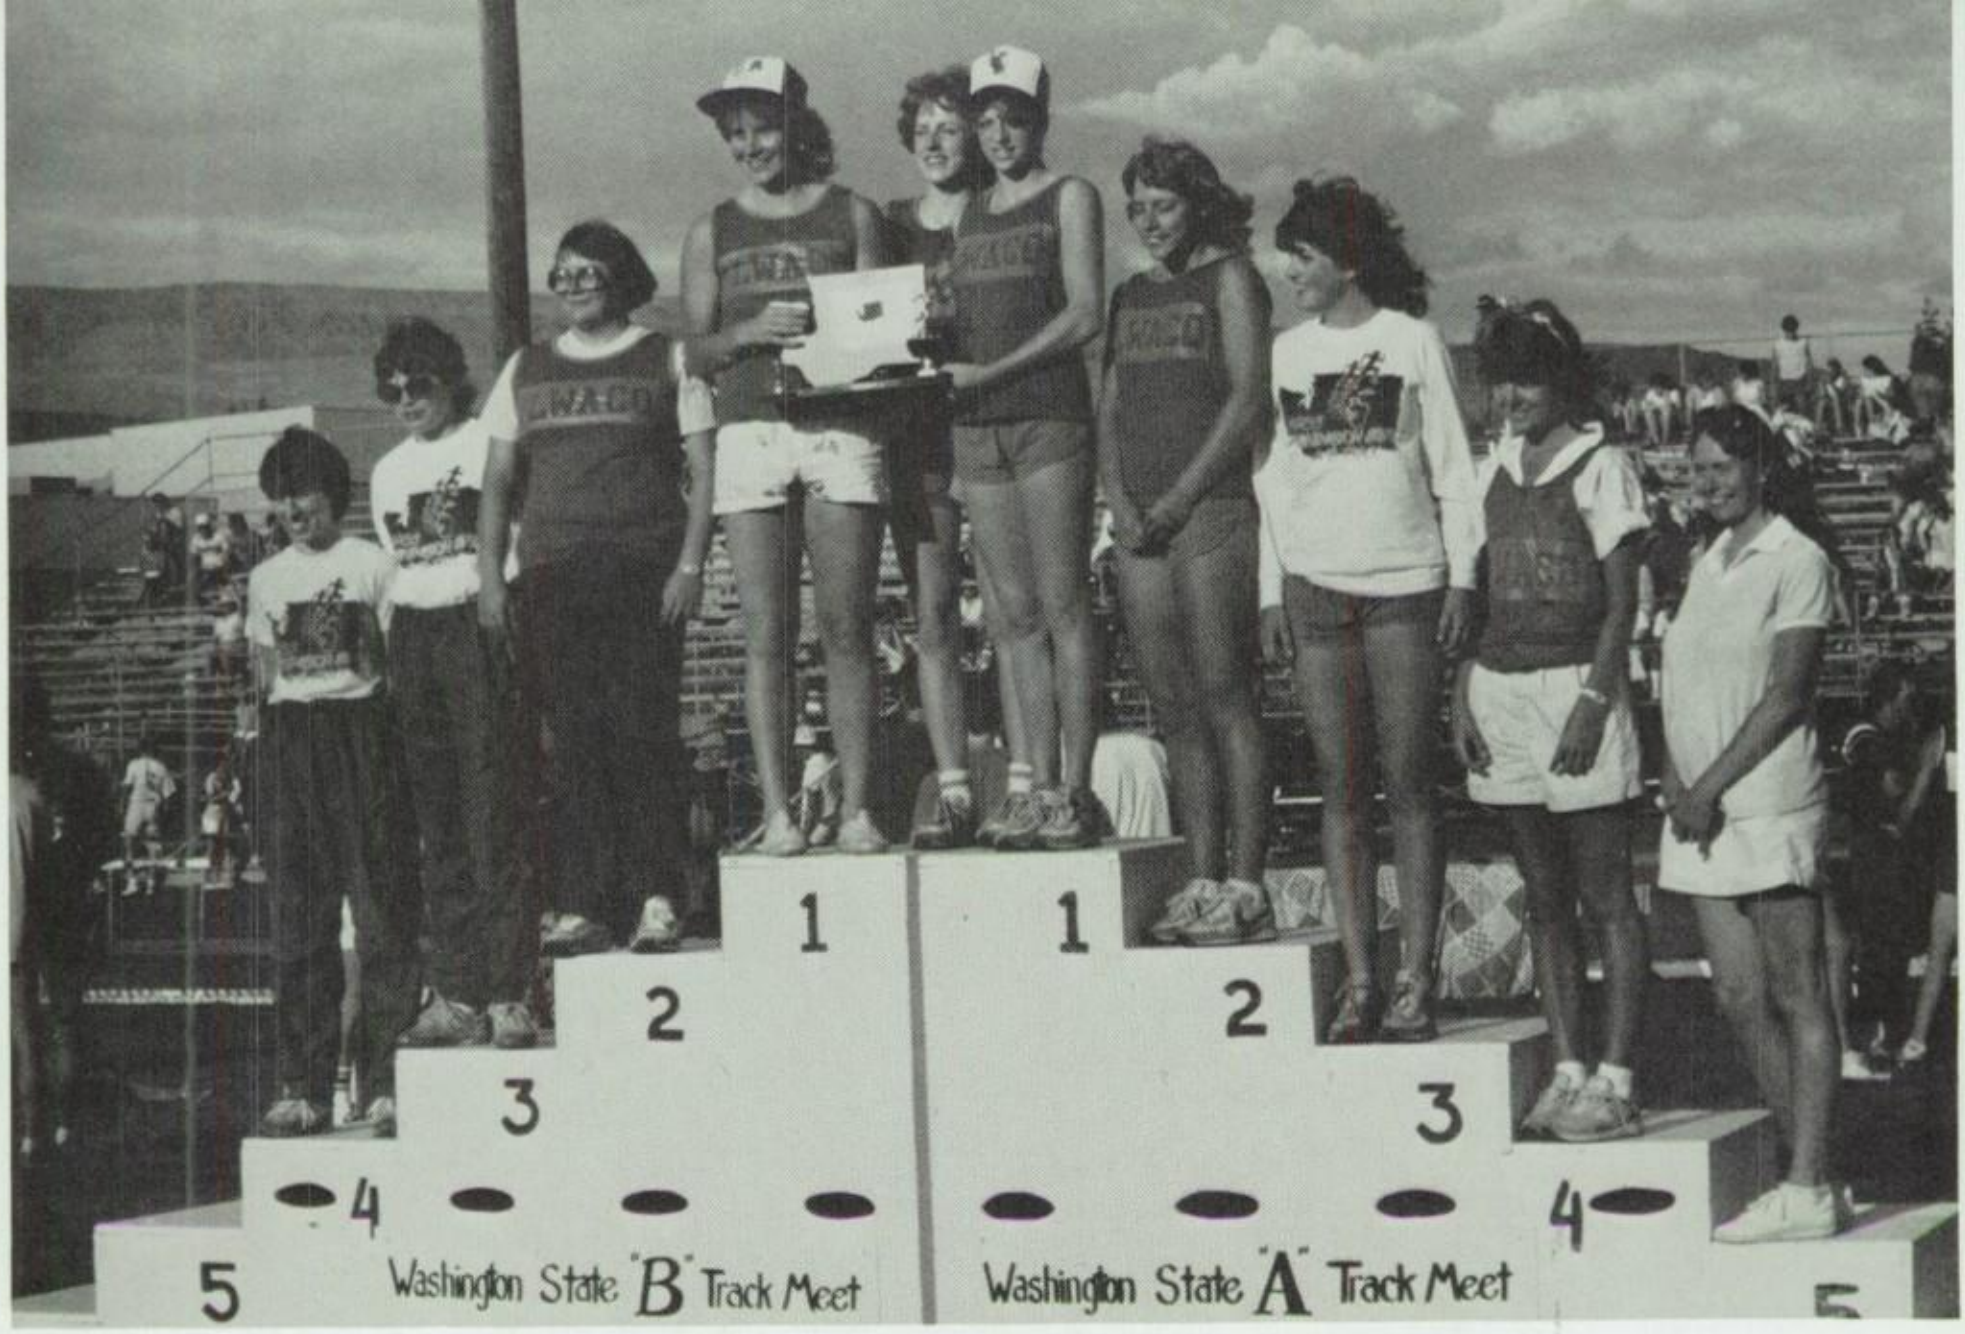
Three Spartans fouled out in the final two minutes of Saturday's match and Ilwaco was sent to the foul line 25 times in the fourth quarter.

Chris Bauge and Troy Longwith led the Fisherman scoring with 14 points, while Mike Wallace and Gary Wirkkala followed with 13 and 12 points respectively. Lonnie Williams added 8, Kevin Bolden 4, and David Glasson 2.

Shooting 25 of 39 at the foul line and hitting 21 of 45 from the field were the Fishermen's statistics.

At press time the Fishermen had not gone up against their first opponent, East Valley of Yakima. All of the class A boys state games are being played at the University of Puget Sound.





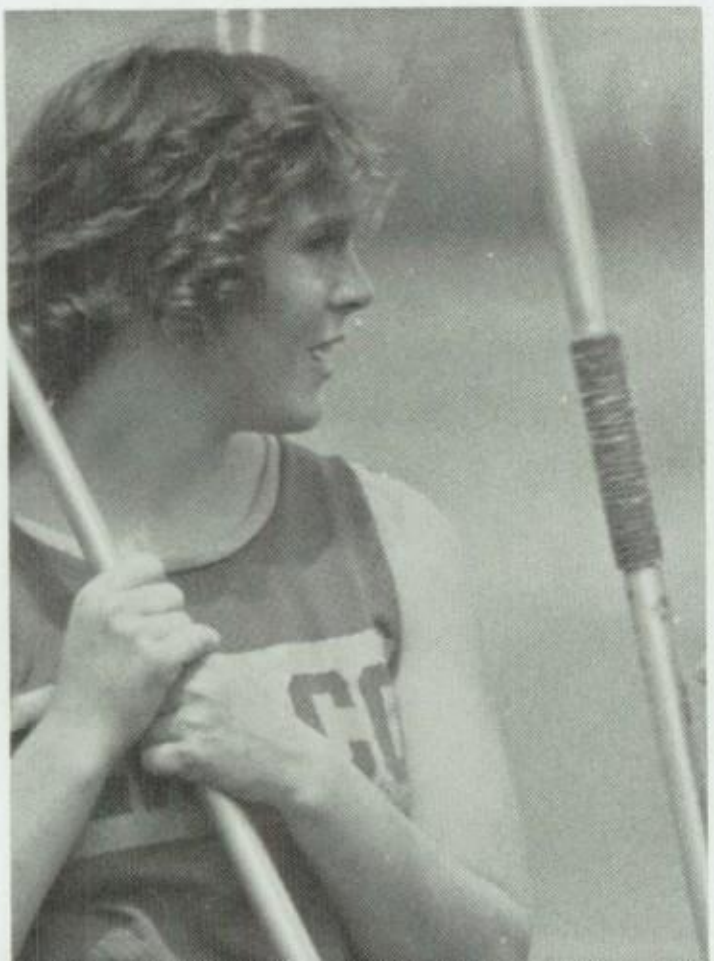
GIRLS' STATE CHAMPIONS

1985

The Ilwaco girls were champs of their own invitational for the third straight year and then proceeded to win their first league title in eight years, their second consecutive sub-district crown, first district title and finally the state crown.

Smith was one of six seniors on the team all of whom were four-year letter winners.

Cheryl Siegmann received MVP hardware for the fourth straight year and Jorji Miklos was named most improved.



By BETH WATTERBERG
Sports Editor

For the first time in school history Ilwaco has brought home a Class A state track championship. It's only the second time in school history that any Ilwaco team has brought back a state championship, and that was in 1956.

Behind Cheryl Siegmann's first place finishes in the 100, 200, and 400 meters, and Jorji Miklos' first place in the javelin, the girls track team became the number one team in the state.

Siegmann was joined at the tape by and Clearman who placed fourth in the 100 and second in the 200. Siegmann and Clearman joined Jeri Smith and Virginia Staudenraus for a second finish in the 800 meter relay.

Dana Newsome and Cissi Boyde missed the finals in the shot and high jump respectively. The mile relay team of Smith, Clearman, Cheryl Chabot and Sarah Snyder also failed to make the finals.

Ilwaco graduates

By Mark Kester
Observer staff

The 53-member Ilwaco High School class of 1985 received its share of scholarships and more. The dollar amount on the post-secondary education monetary boosts hit $34,600.

Of that cash flow, $30,000 came in the form of Marie Hamilton scholarships. It is one of two scholarship trust funds which have been established for the school.

The other trust is the Margaret Meyers Memorial, which this year meant $500 each to valedictorian David "Div" Manula, Dana Newsom and Randy Bloom. All three students are National Honor Society members.

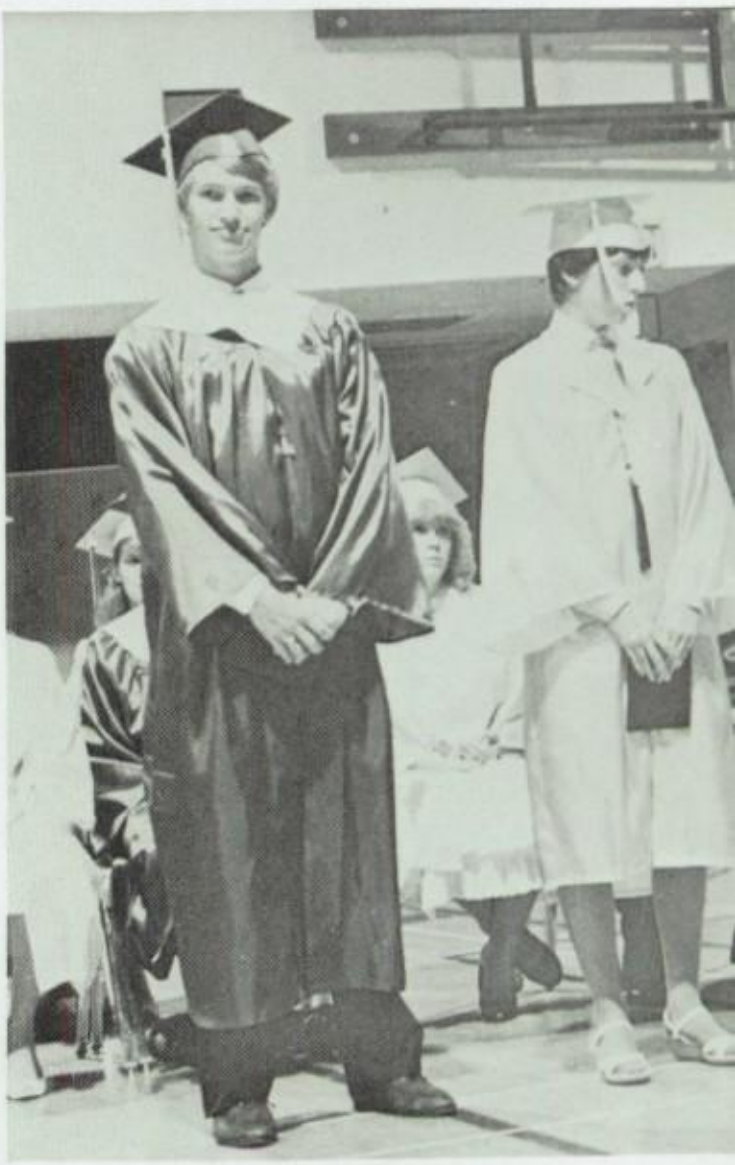
Each year, graduating classes have some gimmick, some special wrinkle added to the commencement proceedings to give themselves distinction. The Ilwaco High class of '85 was no different.

Special music is a part of nearly every run for the diplomas. If sung by a choir, "Be True to Your School" by the Beach Boys would hardly seem out of the ordinary.

However, it takes on added distinction when lip-synched by five senior boys, calling themselves the Long Beach Boys, who had garbed themselves in flowery Hawaiian shirts, and shorts.

Dan Schenk, named the outstanding male athletic graduate by the school's coaches, took the lead, backed by Dan Klump, Div Manula, Rich Schisler, and Doug Skordal on various instruments.

The rest of the senior class provided hand and body motions during the song, which served as a lead-in for a speech by Jeri Smith on being true to Ilwaco High.



Manula received the annual ASB leadership award for his work as ASB president.

Eastern Washington University awarded artistic recognition to Card and Helena Kabush in drama and Brian Flint and Miklos in art.

Herzog also received honors at entrance to Willamette University.

Manula and Snyder, in addition to their scholar awards as the top two students, also received scholar-athlete recognition for their work on the athletic field while retaining academic excellence.

Students in drama awarded the thespian award to Card and Schenk and Beth Watterberg, who sang a duet of "Friends" by Michael Smith, both received choral awards.

Eric Nieland and Scott Cowell cleaned up on band recognition. The two tied for the band award and director's award. Nieland received the John Philip Sousa award and Cowell the Louis Armstrong Jazz Award.

Newsom was recognized as the person who had accumulated the most points over the past four years in pep club. Cheryl Siegmann was named by the coach staff as the top female athlete.

The first Roberta Ann (Smith) Pierson Award of $100 was given to Danielle Selig. The Pierson family has established the scholarship to be given on a yearly basis.

Clatsop Community College gave a $1,500 Rochester Trust scholarship to Hill. Smith received a $1,000 Washington Food Service Association scholarship, which is awarded through a statewide competition.
